Dates: 1- 2 July, 2017

This is a fabulous winter festival put on by the Granite Belt community. There is plenty to see and do, with a snow field, ice skating rink, snow globe, live entertainment, great food and wine, fireworks and so much more! Twisted Gum Wines will have a stand in the main ring at the showgrounds with a bunch of other Granite Belt wine producers and foodies. Be sure to drop in and say hi and enjoy some excellent food and wine while soaking up the great winter festival atmosphere.
