Dates: 20-21 July, 2019

For lovers of food and wine, Southbank Regional Flavours is an event not to be missed. From cooking demonstrations to markets, live music, kids activities and more, there is lots to see and do. Held in the beautiful South Bank Parklands it features stallholders from across Queensland, including a large number of Granite Belt wineries. Twisted Gum Wines will have a stall there this year, so be there so be sure drop by and say hi. It is a great chance to try our new release wines and stock up on some warming reds for winter, without needing to leave Brisbane!
